

1300 Parent Involvement

The Campbell County School District Board of Trustees believes parent participation in the affairs of the school is essential. The District will encourage parent involvement to improve the quality of education for students.

This policy will be maintained in compliance with the Every Student Succeeds Act.

The District will:

- Offer programs and activities to involve parents and family members, and seek meaningful consultation with parents.
- Provide support to schools in implementing effective parent involvement programs that focus on improving student academic achievement.
- Offer assistance to parents in understanding the education system and the state standards, and how to support their children's achievement.
- Provide materials and training to help parents work with their children.
- Educate teachers and other school staff, including school leaders, in how to engage families effectively.
- Coordinate with other federal and state programs, including preschool programs.
- Give parents information in a format and language they can understand.
- Provide reasonable support that parents may request.

Campbell County School District encourages and welcomes the parents of our students to visit schools, participate in activities, and communicate with staff on a regular basis.
