2021-22 Secondary Workplace Discovery Grant Application

The Carl D. Perkins Act of 2006 as promulgated federal funding in a competitive grant award to support Career & Technical Education (CTE) at the secondary level. From the amounts made available under subsection (a)(1) to carry out this subsection, an eligible agency may award grants to eligible recipients for career and technical education activities described in section 135 in -

- (1) rural areas;
- (2) areas with high percentages of career and technical education students; and
- (3) areas with high numbers of career and technical education students.

This competitive grant may be used to support innovative CTE initiatives at the secondary level. The priority of the awards will be as follows:

- 1) provide concurrent enrollment fees for community college courses out of their service area;
- 2) provide work-based learning experiences for students that are in industries closely related to CTE pathways;
- 3) develop meaningful partnerships between schools and NextGen business/industry representatives; and
- 4) develop more comprehensive and robust career pathways leading to viable career or post-secondary training options for students.

In order to be eligible for the grant, secondary applicants must have at least one formal partnership established with business or industry (this may include a registered apprenticeship). The grant may not be used to pay for food and/or beverages or any other unallowable uses of funds under the Carl D. Perkins Act of 2006. Applications will be reviewed and scored by an external grant review committee with four (4) amounts awarded will be equal to or less than \$18,000.00 each. This application will be open for submission until December 1, 2021. Awarded applicants will be notified no later than December 15, 2021. All funds must be expended by June 30, 2022. Grant funds are not available until the final signature is affixed to the Attorney General approved Grant Agreement. If you

the final signature is affixed to the Attorney General approved Grant Agreement. If you were previously awarded a WDE CTE grant and have not disseminated the information you will not be eligible to receive grant funding for one full grant cycle.
