

**CHILDREN'S DEVELOPMENTAL SERVICES OF CAMPBELL COUNTY AND
CAMPBELL COUNTY INTERAGENCY COORDINATING COUNCIL
MEMORANDA OF UNDERSTANDING**

In order to provide for the unique individualized needs of pregnant women, infants, toddlers, and preschool children with and without disabilities, Kelly Morehead, Principal of Westwood High School, agrees to cooperate with Children's Developmental Services in order to provide for a comprehensive and coordinated service system to this population. This may include referral, inter-agency meetings, and coordination of services provided by your agency to the prenatal, infant, toddler, and preschool children population. Children's Developmental Services in return agrees to cooperate with Westwood High School in order to provide a comprehensive service system to the prenatal, infants, toddlers and preschool children and their families involved with our program.

This Memoranda of Understanding is in no way an agreement to provide specific services, but a means to maintain and/or initiate working relationships with all agencies that may have contacts with or provide services to pregnant women, infants, toddlers and preschool children in Campbell County.
