## **5113 Student Attendance K12**

Campbell County School District maintains high expectations for students regarding attendance as well as achievement. All students enrolled in Campbell County schools are expected to be present for classes unless properly excused.

It is recognized that student absence from school may be necessary under certain conditions. However, every effort should be made by students, parents, teachers and administrators to keep absences and tardies to a minimum.

Student attendance is the responsibility of the parent (s) / guardian (s) and students. Schools and parents must keep each other informed about student absences so that absences are appropriate and properly excused.
