Re: Request to surplus and recycle obsolete and outdated items

Surplus Items and Equipment

Maintenance Department – John Deere tractor – unit #613.

Miscellaneous items – printers, projectors, appliances, shop equipment, furniture, etc.

Electronics Recycling

Computers, obsolete repair parts, etc.

Items will be listed for sale through an online auction. Any items not sold or not in good working shape will be recycled or disposed of per district policy – this may include parting out some items for future repairs.
