- Girls Fastpitch Softball Dr. Ayers reviewed the budget and process leading up to tonight's request for approval of girls fastpitch softball. Gillette Mayor Louise Carter spoke to the board in favor of girls fastpitch softball and provided information concerning field usage. Mrs. Durgin made a motion to offer girls fastpitch softball at Thunder Basin High School and Campbell County High School as a spring sport starting in school year 2020-2021 provided the sport becomes sanctioned by Wyoming High School Activities Association (WHSAA). Mr. Foreman seconded the motion, and the motion carried unanimously. Dr. Ayers shared that eight Wyoming high schools would need to agree to offer girls fastpitch softball in order for WHSAA to sanction the sport.
- Aquatic Center Update Mr. Holmes introduced Phil Rehard, Tim Volk, and Sean Mathes who provided history of Aquatic Center usage and an update of the facility's condition. The facility was built in 1982; therefore it has already exceeded the average lifespan of aquatic buildings which is 35 years. With current refurbishment efforts, it is expected the district will be able to use the facility for 10 more years. Mr. Mathes feels that refurbishment is not a viable option past 10 years. The board hopes to have discussions with the Campbell County Community Public Recreation District to discuss funding options. A 2016 estimate to replace the building was between \$13.5 mil and \$15.8 mil. The board expressed appreciation for being given a 10 year window to make appropriate plans for the Aquatic Center.
- Campbell County High School Soccer Field and Football Practice Field Mr. Holmes provided an update regarding the Campbell County High School soccer field and football practice field. This project is out for bid, and bids will be opened on April 2, 2019. A completion date for this project has been set as August 2, 2019.

Policy and Administrative Regulation 5300 and 5300-R, Activities Participation Eligibility; and Policy and Administrative Regulation 5035 and 5035-R, Attendance Areas and Attendance Area Change Requests

Dr. Reznicek requested board guidance regarding Policy and Administrative Regulation 5300 and 5300-R, Activities Participation Eligibility; and Policy and Administrative Regulation 5035 and 5035-R, Attendance Areas and Attendance Area Change Requests. Mrs. Durgin made a motion to keep Policy 5300, Activities Participation and Policy 5035, Attendance Areas and Attendance Area Change Requests as they are with no changes. The following additions are requested for Administrative Regulation 5300-R, Activities Participation and Administrative Regulation 5035-R, Attendance Areas and Attendance Area Change Requests:

- The Attendance Area Change Request (AACR) Form will have a provision for a parent to describe the hardship incurred by the student attending school within their attendance boundary.
- The parent and student will meet personally with both the attendance area school principal and the requested school principal to discuss why the change in school of attendance is necessary.
- If a social or emotional reason is given for the AACR, the counselor at the student's current school will also meet with the parent and student and relay their recommendations to the principals.
- The decision to approve or deny the AACR will be made collaboratively between the attendance area school principal and the requested school principal. The rationale for approving or denying the presented hardship will be recorded on the completed AACR form.
- The attendance area school principal and the requested school principal must sign off on the AACR. If a social or emotional reason is given for the AACR, the counselor at the student's current school must also sign off on the AACR.
- The signed AACR will be forwarded to the Deputy Superintendent for review and permanently placed in the student's file.
- Activities/athletics preference alone will not be considered a hardship.
- The Board of Trustees will support principals and administration in all decisions regarding approval or denial of AACRs.

Dr. Clouston seconded the motion. After discussion, the board voted unanimously to approve the motion. Dr. Reznicek and Mr. Eisenhauer will make the requested revisions to Administrative Regulation 5300-R, Activities Participation and Administrative Regulation 5035-R, Attendance Areas and Attendance Area Change Requests; and bring those revised administrative regulations back to the board for approval.
