Dr. Ayers listed the topics for the meeting: 1) Policy Committee Update; 2) Veterans Project

Policy Committee Update – Dr. Larry Reznicek updated the board regarding policy work and shared that the committee has been working on revisions to Policy 4035 National Certification Incentive, Policy 4155 Educational Support Personnel-Overtime, and Policy 4158 Educational Support Personnel-Compensatory Time. The policies will be on next month’s consent agenda.

Veterans Project – Mr. Eisenhauer shared with the board that Mrs. Diana Enzi approached the district about doing a veterans project as a student learning opportunity and one that honors our veterans. Mr. Eisenhauer introduced Social Studies Facilitator Alexis Hedrick, who shared that the United States Congress created the Veterans History Project as part of the American Folklife Center at the Library of Congress, one of the world’s most respected research and cultural institutions. The project’s purpose is to collect, preserve and make accessible the personal accounts of U.S. military veterans and Gold Star Families so that future generations may hear directly from veterans and better understand their service. A Field Guide Kit provides information on preparing, participating, submitting, and accessing collections. Secondary teachers will participate in professional development to incorporate the project into the district curriculum, and secondary students will collect information from local veterans to provide to the library.

The meeting adjourned at 5:45 pm, with no action taken by the board.
