

## 4330 Infectious and Communicable Diseases

~~Campbell County School~~ The District is committed to providing and maintaining a safe and ~~healthful~~ **healthy** environment for all students and employees. Procedures regarding infectious and communicable diseases will be based on guidelines and regulations from:

- American Public Health Association (APHA)
- Centers for Disease Control (CDC)
- American Academy of Pediatrics (**AAP**)
- Wyoming Department of Health
- Wyoming State Statutes
- Occupational Safety and Health Administration (**OSHA**)

Current **nursing** protocols regarding infectious and communicable diseases-

Because medical knowledge about infectious diseases is continually **evolving growing**, this policy and related regulations will be reviewed and updated as necessary.

Employees will follow **universal** precautions and related procedures as outlined in ~~Campbell County School~~ the District's Exposure Control Plan as **described** ~~printed~~ in the Comprehensive Health and Safety Handbook.
