

8410 Policies—Review

All policies established by the Campbell County School District Board of Trustees, as well as their accompanying regulations, must be reviewed and updated whenever changes in District procedure, state or federal law, or other factors warrant such action.

In no case should a policy or regulation be in place more than five years without an administrative or board review to assure that it is still clear, accurate, and appropriate. Review and revision dates are to be listed on policies and regulations along with original adoption dates.

ADOPTION DATE: February 8, 1993; Reviewed November 13, 2012; Updated to match Board Governance Policy January 8, 2018.
